

“Life changing is a huge claim, but in some ways you could say Andres’ messages are. If it inspires you to take action over something, or to keep trying when you want to give up, which it actually did for me, then yes, it can, and does, change lives.” — Lesley Meade, England

Audience Interaction!

- What would it be like if I was inspired like I've never been inspired before?
- What would it be like, if the sleeping giant within Me becomes compelled to rise?
- **What if nothing could stop Me?**
- What if, nothing could hold Me back?
- What if, I could become unstoppable
- **What would I do, if I knew that I could not fail?**

***Educational Background:** Andres graduated with honors from Montclair State University, NJ with a major in Speech Communication and a minor in Creative Writing. In addition, for the past 10 years, he has read over 1000 books in the science of human development and motivation. That's an equivalence of how many books you might have to read if you were to get 2 or 3 PhDs.*

All as One!

“Our students were **inspired** by your **fun, energetic**, yet **thought-provoking message.**”
